Welcome to Katana Racing Wheels—a leader in alloy wheels. Driven to be the best, Katana wheels offer multiple designs and finishes in the market today. Katana is the next generation of high-quality, professional-grade street wheels. Engineered with performance and style in mind, Katana wheels feature race-inspired designs created with state-of-the-art technology that meets the demands of the car enthusiast. Katana wheels offers fitments in a variety of painted finishes for passenger cars.

As a high-quality wheel manufacturer, we take pride in engineering only the finest products. Our extensive line of custom rims come in several designs for most passenger cars. Inquire about Katana wheels from WTD--your premier wheel distributor.

Our team is waiting to answer any questions you may have regarding our high-quality products. Make sure you view the rest of our styles for our other name brands such as Dolce and Ninja wheels.
